Books are exempt from VAT in the UK but multimedia are not. We are obliged to add a sales tax to purchases by customers in certain countries. Please therefore add the applicable local sales tax to the total product value. If you do not do this, the amount your credit card will be charged may differ from the total you have indicated. The confirmation invoice with your parcel will clearly identify the tax charged. If you are able to order online, at <http://intl.elsevierhealth.com> the amount of sales tax applicable will be calculated for you and confirmed.

Prices and availability of our products are subject to change without notice.
