

## **PRISM'S TRAIN TO GAIN**

HHDBA members could get financial or marketing training via the “Train to Gain” scheme paid for under a Prism initiative.

“Train to Gain” is a government training grant, for leaders of companies with 5-250 employees. Under the scheme, employers can be provided with training to develop business leadership skills, to improve their company’s overall commercial performance.

Managing directors, key directors and owner/managers of businesses, with between 5 and 250 employees are eligible for a maximum of £1,000 funding.

Contact Holly Hallam or Catherine Arnold at Prism Group on 01444 416416 for more details, but funding is limited so don’t wait.
